

BALTIC CREATIVE

Lettings Criteria

Baltic Creative was founded in 2009 with the support of Liverpool Vision and a grant from the European Regional Development Fund (ERDF) and the North West Development Agency (NWDA) with the specific aim of supporting the growth of the Creative and Digital Industries in Liverpool.

As such, Baltic Creative are permitted to provide workspace for Creative and Digital Businesses **only**.

These Creative and Digital businesses are currently identified by the Department of Digital, Culture, Media, and Sport (DCMS) as belonging to the following 9 sub-sectors:

- Advertising and marketing
- Architecture
- Crafts
- Product design, graphic design and fashion design
- Film, TV, video, radio and photography
- IT, software, video games and computer services
- Publishing and translation
- Museums, galleries and libraries
- Music, performing arts, visual arts and cultural
